

The FreeBalance Academy

Building Skills That Matter

Public Financial Management Training

About FreeBalance

Amazon River, Brazil

Our comprehensive and practical training equips local talent with the skills they need to drive sustainable growth.

We know our customers are busy so in addition to our scheduled training courses we also offer customized courses and flexible schedules.

We also offer courses in country when appropriate.

We believe strongly in fiscal transparency and accountability. Our products help bring the power of open government to citizens and decision makers around the world.

We believe strongly in fiscal transparency and accountability and our products help bring the power of open government to citizens and decision-makers around the world.

With a successful track record of almost 40 years and operations in 25+ countries, FreeBalance has unparalleled experience in public finance reform and is a specialized Business-to-Government (B2G) firm.

Purpose

We are committed to enabling Public Financial Management (PFM) reform that matters. Our work delivers realistic and impactful public sector solutions that empower governments to improve citizen wellbeing and drive economic growth and prosperity around the world. The FreeBalance approach to PFM reform helps governments to enhance transparency, improve effectiveness, restore trust and create innovation breakthrough opportunities.

FreeBalance is a proud signatory of the UN Global Compact.

Customized Curriculum

A personalized curriculum that meets your training needs.

Relevant Case Studies

Our case studies enable students to apply their learnings in "real life" scenarios.

Our courses provide short lectures that get straight to the important points.

Expert Facilitators

Top end instructors with hands-on public service experience.

Certification and Testing

Students have the opportunity to be certified after taking a knowledge test.

Contextual Workshops

Our workshops are designed to be immediately applicable to your context.

FreeBalance Academy Training Courses

The FreeBalance Academy is the latest step in our commitment to build capacity in government that ultimately addresses transparency, accountability and citizen wellbeing.

Developed by public sector experts for governments around the world, our curriculum has been carefully constructed to build the skills that matter the most for successful PFM reform.

Participants will benefit from personalized training that includes use of multi-media, group discussions, personal reflection, all tailored to your specific country context.

FreeBalance is proud to partner with ACCA (the Association of Chartered Certified Accountants) to build PFM skills globally.

The FreeBalance Academy collaborates with the International Consortium on Governmental Financial Management (ICGFM) to provide training.

The FreeBalance Academy offers a range of training courses to meet the diverse needs of the global PFM community
